PREFACE

In presenting to our patrons and the public our ninth directory of Peterborough, we feel confident that it will meet with th ir approval. The work has been done in a thorough manner and while errors will creep in we are satisfied that they are few.

There may be some names missed out but in most cases these may be accounted for by removals during the canvas

There are some names that may be found twice which is caused by the different spelling at the places where the names were obtained

THE CLASSIFIED BUSINESS DIRECTORY is a complete mirror of the business interests of the city, and represents it to the outside world only as a Business Directory can

THE MISCELLANEOUS DIRECTORY furnishes a large amount of informaion useful to strangers.

Thanking our patrons for the liberal patronage bestowed on our work we remain.

Yours Respectfully,

THE PUBLISHERS
